Mommy's Morning Out Program

Welcome mommy's to our newest program called Mommy's Morning Out or MMO for short. MMO was designed with you in mind. This program is for toddlers between the ages of 1 to 4 years old. It's designed to help your little ones learn to interact with other kids their age through fun hands-on activities; while at the same time giving our mommy's time for themselves.

MMO is a 3 day a week program, Monday-Wednesday-Friday, from 9:00am to 1:00pm. Some of our many activities include age appropriate educational games, nutritious snacks, fun play time, field trips and more. Each child will learn to explore with daily exercises that will expand their minds and entice their appetite for learning.

While your little ones enjoy their fun and new environment, we encourage mommy's to take that well deserve nap, do those errands that was impossible to achieve before or if you would like to stay and help us with our daily activities we would greatly appreciate it. It's entirely up to you!

We appreciate the opportunity of getting to know you and your little ones; we know that this is the right program for the both of you.

Sincerely yours:

Sharon D. Woods
